As mentioned in prior correspondence the Division will be producing responsive non-exempt and non-privileged documents on a rolling basis starting with the most recent records, year 2018 and working backwards on a year by year basis.

The Division has completed its search of 2019 and 2018 records and there are no responsive records to your request.

We appreciate your understanding and patience and will continue to communicate with you regarding this request.

Thank you,

Karen

Given that your request is so broad and voluminous, LAWA will certainly need an extension to respond to your request because of the need to: 1) search for and collect the requested records from field facilities or other establishments separate from the office processing your request; and 2) to search for, collect, and appropriately examine a voluminous amount of separate and distinct records demanded in your single request.

There are thousands upon thousands of boxes of records that need to be located and reviewed, so processing your request will take time and will be processed on a continuing and rolling basis. The Division will be producing responsive documents on a rolling basis starting with the most recent records -- i.e. year 2018, and working backwards on a year by year basis.

To the extent your request seeks records from January 1, 2019 to the present, there are no responsive records relating to the categories of discharge of firearm, sustained finding of sexual assault, and sustained finding of dishonesty. I am inquiring as to the use of force category resulting in death or great bodily injury.

I am seeking all the records without time frame. I would prefer that LAWA produce in reverse chronological order one officer at a time.

The records I am seeking are those made newly non-exempt by SB1421.
You can find the text of the law here:

https://urldefense.proofpoint.com/v2/url?u=https-3A_leginfo.legislature.ca.gov_faces_billTextClient.xhtml-3Fbill-5Fid-3D201720180SB1421&d=DwIBaQ&c=EZyq3jpMgV82C-qgw4SRw&r=MrIprnYENmPQRfbi5vEJrRiYm302DwcMqpyY-gucdCU&m=7xvNNT5zilAuQd9_o6psuCkIZsG8qJayqyCIxBXf-4U&s=mt4ME5rXJJ2tTe9t080G0J490GznAJ23Z02nqd405p0&e=

and the categories of records are described in PC 832.7(b)

You are welcome.

I will do my best to describe it in email. Please know that should you wish to discuss on the phone I am available at (424) 646 - 5156.

Can you please clarify for me:

- 1) the time frame or date range of records you are requesting; and
- 2) which categories and type of records you seek

As for production, there are volumes of records that will need to be located, searched, and evaluated. Once I have a better idea of the scope of your request then I can advise on expected production.

Thank you,

Thanks Ms. Majovski.

I don't want to talk about it on the phone but thank you again for offering.
Can you just tell me what the issue(s) is/are?
